SECURITY & DEFENCE LEARNING 2012

The 8th International Forum on Technology Assisted Learning for Defence, Security and Emergency Services

Focusing on trends, technology and transformation in the security and defence fields, the New Security Foundation (NSF) is convening one of the leading figures from the world of security learning to discuss a wide range of themes reflecting the myriad of new challenges in today’s security environment.

Security & Defence Learning 2012 will take place at Berlin’s Hotel InterContinental on Wednesday, November 28th and is an official pre-conference event of ONLINE EDUCA BERLIN.

The forum is designed for experts involved in training related to security issues in all sectors of society, as well as individuals invited to attend an exclusive screening of

autoblogography about love, death & technology

by Sussie Anckarsрут. Directed by Ms. Anckarsрут, the film illuminates the issues that affect us all.” It’s a film that is stirring a wide range of emotions and provoking discussions, debates, demonstrations, workshops and even a film competition.

More information is available here: www.security-defence-learning.com
